

Built under double oven

- Dimensions: 595 mm wide x 715 mm high x 545 mm depth
- Electronic temperature control
- Illumination
- Cold door
- Double temperature reflection glass door
- Oven temperature: max. 250
- Top oven:
 - 1x tray, 1x oven wire shelf, wire shelves
- Main oven:
 - 1x tray, 1x oven wire shelf, lower heater, fan heating, lower heater and fan, grill and fan
- Energy efficiency rating: Oven capacity
 - Top conventional oven: A (32 litres)
 - 0.59 kWh (conventional)
 - Main multi-function oven: A (46 litres)
 - 0.94 kWh (venting), 0.59 kWh (conventional)
- Nominal power:
 - 4.12 kW, 230V, 50Hz
- Eco clean
- All electric
- Stainless steel, glass control panel
