

# Vauth-Sagel Kitchen Storage Twin Corner Pull Out Shelving Units

## Twin Corner pull out shelving unit

Twin Corner includes 2 shelves and all fittings for installation in 900 or 1000 mm plus corner cabinets with 450 or 500 mm doors.

Designed so that the pull out section automatically begins to pivot as the unit is pulled out of the cabinet.

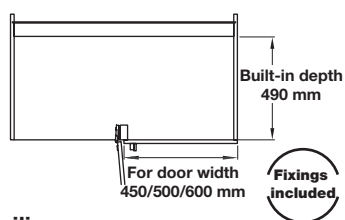

Slide corner shelving unit shown on page 20 has the same pull-out pivot action, but has the additional feature of shelves which can be pulled out independently of one another.

**Note: Diagram and photos show right hand version.**

Shelves pull out together
