Sanding surface	135 x 75 mm
Belt speed, no load	200 - 380 m per minute
Belt speed, nominal load	150 - 320 m per minute
Connection for dust extraction	Ø 27/36 mm
Weight	3.8 kg
240V	+005-03.002

Order qty: 1 pc

B Sanding base

- For use with BS 75 E belt sander
- Replacement fabric and graphite base for general sanding work
- Cork and metal base for coarse sanding work

Material	Cat. No.
Cork/metal	+005-03.030
Fabric/graphite	+005-03.050

Order qty: 1 pc

C Flat frame

- For use with BS 75 E belt sander
- With precision height adjustment and raising device for exact sanding of high quality surfaces

Item	Cat. No.
Flat frame	+005-03.040

Order qty: 1 pc

D Sanding belt, 533 x 75 mm

- For use with BS 75 E belt sander
- For sanding wood

Gritt	Cat. No.
60	+005-03.206
80	+005-03.208
100	+005-03.210
120	+005-03.212
180	+005-03.218

Order qty: Multiples of 10 pcs

E BS 105 E belt sander

- Ideal for large workpieces with wide sanding surface
- Electronic control
- Belt speed continuously variable for coarse and fine sanding
- Graphite sanding backing
- Quick and easy belt tensioning and regulation
- Sanding belts can be changed without any tools
- **Supplied with:** Systainer case, Stationary device for inversion, 4x sanding belts: P60, P80, P100, P120, Dust-extraction adapter and dust bag

Technical data	
Power consumption	1400 W
Belt width	105 mm
Belt length	620 mm
Sanding surface	160 x 105 mm
Belt speed, no load	230 - 380 m per minute
Belt speed, nominal load	170 - 340 m per minute
Connection for dust extraction	Ø 27/36 mm
Weight	6.5 kg
240V	+005-03.101

Order qty: 1 pc

F Sanding base

- For use with BS 105 E belt sander
- Replacement fabric and graphite base for general sanding work
- Cork and metal base for coarse sanding work. Cork backed

Material	Cat. No.
Fabric/graphite/cork	005.03.120
Metal/cork	+005-03.140

Order qty: 1 pc (1 pc contains 2 sheets)

Item F.
Text added to show 2 sheets are included

Re-instated

G Flat frame

- For use with BS 105 E belt sander
- With precision height adjustment and raising device for exact sanding of high quality surfaces

Item	Cat. No.
Flat frame	+005-03.130

Order qty: 1 pc

H Sanding belt, 620 x 105 mm

- For use with BS 105 E belt sander
- For sanding wood

Gritt	Cat. No.
