

Fittings for Straight Sliding Cabinet Doors

EKU Soft Closing System

- The EKU soft closing system closes furniture doors softly and quietly, pulls them gently into their final position and holds them firmly in place
- Suitable for door weights **20-60 kg**
- Simple and easy installation
- For installation after sliding doors have been fitted and aligned
- Can be retrofitted
- For use with the EKU sliding timber door systems:
 - **Clipo 35H-S Infront**, shown on page 66
 - **Clipo 35H-V Infront**, shown on page 66
 - **Combino 45H Forslide** shown on pages 70
 - **Combino 45H Mixslide** shown on pages 71
 - **Combino 45HGR Forslide** shown on pages 72
 - **Combino 60H Infront**, shown on page 69
- For use with the EKU sliding glass door systems:
 - **Combino 45HGR Forslide** shown on pages 72
 - **Combino 45 GR Forslide** shown on pages 97
 - **Combino 45 GR Mixslide** shown on pages 98
- **Order soft close system set and adaptor set separately**, according to sliding door system being used - refer to page 61 for details
- **Adaptor sets** - For use with EKU soft closing system sets. 1 adaptor set = 1 pair brackets with fixings. Galvanized steel
