

**Stilos aluminium profile shelving system**

'L'-shaped aluminium profiles are wall mounted to create a wall mounted storage system in the bedroom.

Each system can be individually designed according to specific storage requirements: The system includes wardrobe rail end supports, brackets for use with wooden or glass shelves as well as special connector brackets for use with the Vibo Dream range of pull out bedroom fittings.

The Vibo Dream range of pull out bedroom fittings are shown on pages 9-12

For use with 490 mm deep wooden or glass shelves.

With wooden shelves the Vibo Elite range (pages 4-7) can also be used when undershelf mounting bracket (page 8) is fitted.
