

Dream pull out storage system

This high quality bedroom storage system consists of pull out frames in silver with a range of storage fittings which simply clip or hang onto the frames.

The range includes:

Pull out storage system; frames with baskets, racks and trays.

Side fixing pull out units with baskets, racks, trays.

Optional bracket for undershelf mounting of pull out units.

Swing out bracket to allow pull out units to swivel completely out of cabinet for easy access.

Storage fittings are available in silver.

Pull out frames have full extension ball bearing runners. The frame is side fixing and adjustable to different widths to accommodate different combinations of baskets, trays and racks.

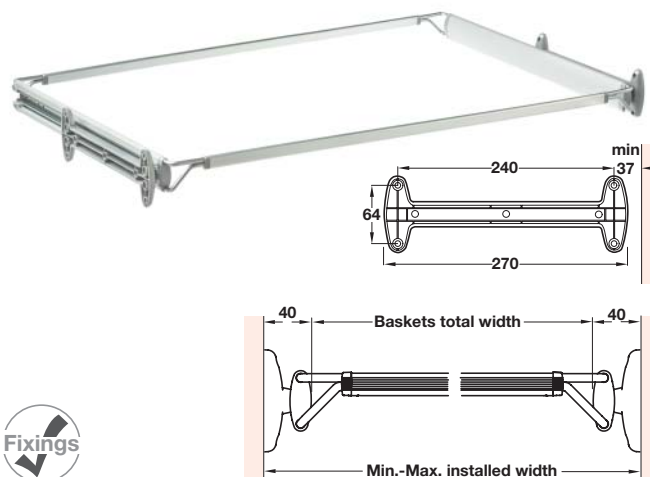

Frames can also be fitted into Stilos profile system shown on pages 14-15 to create a wall mounted storage system.
