

APOLLO® SLAB TECH SOLID SURFACE

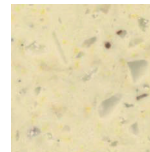

Apollo® Slab Tech offers the warm and seamless look of standard solid surface with the added appearance of natural stone. Apollo® Slab Tech is simple to install with a revolutionary new glue that allows the installer to remove the excess from any joints before it sets.

- > 20mm and 30mm solid mineral material
- > Easy to repair, clean and maintain
- > Inconspicuous, unobtrusive and seamless joints
- > Marmo veined colours require a mitred corner joint in an L shaped configuration - please take this into account when choosing worktop length
- > Finished performance tested by FIRA®
- > 10 Year manufacturer's limited warranty
- > Prices include delivery to one trade UK mainland address - see page 3 for full details

Polished square edge
