

DYNAPRO 40/70 KG

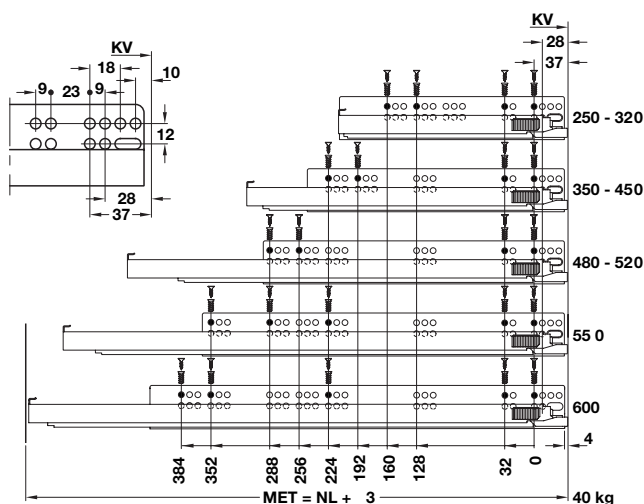

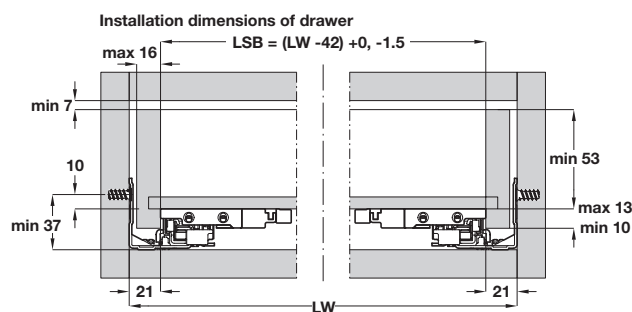

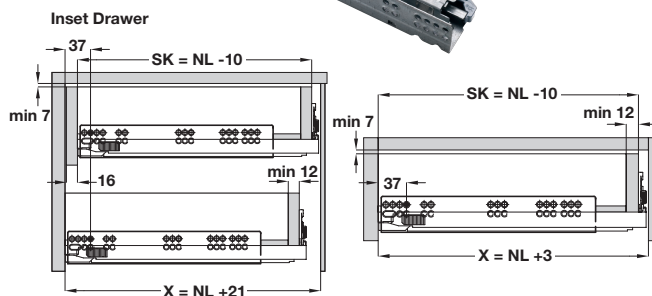

The Dynapro undermount slide system from Grass.

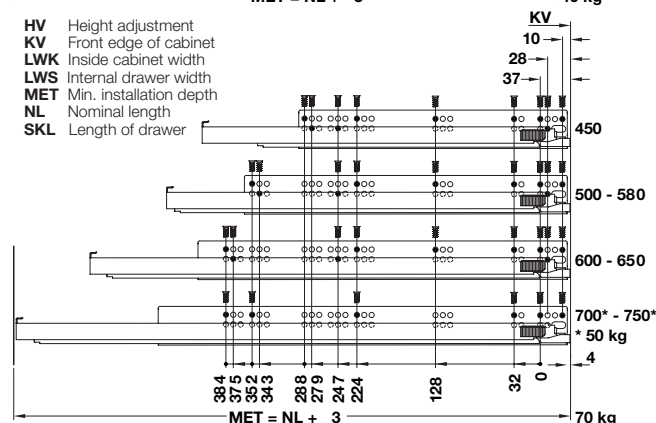

- > Featuring revolutionary tool less 4D adjustment which gives vertical tilt, side to side and depth adjustment (ideal for perfect alignment and accurate gaps, for inframe and lay on applications)
- > 100% fully synchronised runner giving silent, smooth operation throughout the movement of the drawer
- > 40 kg capacity as standard, so ideal for the majority of drawers, with 70 kg option available for very large drawers
- > Incredibly stable with the lowest deflection rates available
- > Also available as push to open for handleless applications using Tipmatic runner or Sensomatic shown on pages **92-94**
- > For use with Vionaro drawer system shown on pages **118-127**

Concealed Dynapro drawer runners
