

STEPFIX STEP STOOL

Stepfix step stool

- > A versatile highly useful step stool that can easily be stored away when not in use, with 4 hidden rollers to make it easy to pull out
- > Wide non slip steps, robust and compact design
- > Can either be stored behind a plinth using a plinth bracket, on a cabinet wall or door using the cabinet bracket or simply put into a standard min. 500 mm drawer
Plinth or cabinet brackets are not included and must be ordered separately if required, see below for details
- > Dims (height x width x depth when folded): 450 x 406 x 68 mm
- > Wide 200 x 300 mm steps, covered with non slip rubber treads
- > Light grey epoxy coated aluminium frame with dark grey plastic end caps and rubber treads
- > Order qty: 1 pc

- > Brackets are available to order separately:
- > Plinth bracket with fixing plates to attach plinth panel, bright zinc-plated steel
- > Cabinet bracket for hanging the Stepfix step stool onto a cabinet wall or door, white epoxy coated steel
- > Order qty: 1 pc
