

HAILO EURO-CARGO PULL OUT WASTE BINS

The Euro-Cargo range is a complete waste bin system for door front fixing cabinets. The 500 mm version can also be installed in cabinets with hinged doors via a grip panel which is available separately.

- > System includes its own runners for side fixing to cabinets and door front
- > Automatic closure and soft closing mechanism
- > Available in standard and 'Smooth-Tech' soft close versions
- > Total system capacity: 42 to 84.5 litres

Foot operated door opener is available to order separately, shown on page 124
