

SWING OUT BINS

VAUTH-SAGEL OEKO CENTRE WASTE BINS

Swing out waste bin system pivot mounted to side and base with one, two, three or four bins for waste segregation.

- > Lid lifts and bins swing out when the door is opened, the lid is automatically replaced on the bins when the door is closed
- > Bins have been designed with cleanliness and hygiene as prime importance
- > Bins are made of high-grade plastic with extra smooth sides making them easier to clean
- > Easy removal of entire system for cleaning inside the cabinet if required
- > No additional strain on the door front
- > Can be used with all standard door hinges
- > Total capacity system: 18 to 40 litres
