ROPOX FLEXICORNER

Ideal for single person use of the kitchen.

- > Economical alternative to two separate Flexi frames (two separate Flexi frames in a corner would allow for two people to work at different heights - the corner frame suits just one person)
- > The hob, sink and preparation area can all be adjusted in one movement
- > Useful if space is limited by maximising the corner area
- > Max. load of frame is 150 kg evenly distributed over the entire frame
