

ATLANTIC KUBE

With a dramatic 10 mm radius defining the corners to this bowl type, the Kube undermount creates a geometric effect which will sit perfectly within streamlined cabinetry. Featuring a modern square waste and overflow, this range is available in a mix of single, 1 1/2 and double bowl configurations.

Photo shows Kube KUB4040 double sink. Taps are not included with these sinks - tap shown is Quadrant 569.53.460, see page 114 for details
