

## ATLANTIC CLASSIC

The Classic undermounts have an elegant curvature to the bowls, creating a discreet sink solution suited to any kitchen scheme. Flexibility is also at the forefront of Rangemaster's undermount sinks, with the option of combining different bowl sizes to suit, in addition to both handed and reversible multiple bowl options.

Taps are not included with these sinks - tap shown is Aquaclassic 569.54.240, see page 112 for details
