NB: Only pans with a ferrous (magnetic) base are suitable for induction hobs

### Functions

**Child lock:**

some models are fitted with a device to lock the programme/cycle so it cannot be accidentally changed.

**Touch controls:**

Easy to use touch controls allow the appliance to be programmed at the touch of a button.

**Time elapsed:**

shows how long the cooking zone has been in use

**Power booster:**

option allows the zone to work at full power when very intense cooking is necessary.

**Timer:**

All ceramic hobs have a timer which automatically ends cooking after a preset time.
