

VS ENVI FREE WASTE BIN SYSTEM

Flexible free standing waste separation or storage system designed to stand in the base of drawers. Configured and positioned to suit cabinet widths 300-1200 mm. Simply measure the internal cabinet width and then chose from a variety of combinations of different sized bins

- > For flexible width installation
- > Retro-fit into any pull out drawer system
- > Lid options, standard closed lid or bio lid with active charcoal filter
- > Handles also hold bin liner securely in place
- > Anti-slip mat keeps the bins in place

VS ENVI Free bins

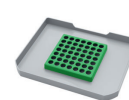

- > Plastic, grey
- > Order qty: 1 pc
