

RANGEMASTER CLASSIC BELFAST SINK

There's very little that captures the true essence of a traditional British kitchen quite like a Belfast sink. Sometimes referred to as the butler sink, the large solid design typifies the very heart of the home. Finished in a high lustre white gloss, complete with a traditionally styled weir waste overflow.

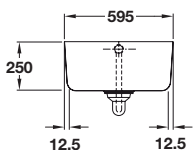

Taps are not included with this sink - tap shown is Belfast traditional bridge tap 569.51.260, see page 376 for details
