Most of the products you will find in this catalogue are available within 24 hours. However, to be able to offer the breadth of range in our collection, a small number of products have a longer lead time that is typically around 14 days. Please call 0800 171 2909 for an accurate delivery date when you see this symbol.

POCKET SLIDING INTERIOR DOORS

Our sliding door gear systems are essential in saving space in the home. With systems for internal and external use, patios, pocket doors, glass and folding doors, the Häfele range offers a smooth and precise alternative to restrictive, traditional doors.

Pocket sliding interior doors are a system for disappearing doors, in a ready made cassette or kit form, making it easy to fit into plasterboard.

View the full Pocket Sliding Door range in this catalogue, shown in Section 9, from page 106.
