At Häfele, we recognise the importance of quality, function and design when it comes to making furniture.

That's why we have launched the Häfele Lifetime Guarantee across the products that we manufacture, or bring to you under the Häfele brand name.

All products that carry a Häfele Lifetime Guarantee have met our quality standards and have been tested according to the relevant industry certification.

We are happy to guarantee that the product will function as intended, with no loss of operating quality, for the guaranteed lifetime of that product.
