Cat. No.

A - 12 mm hook

911.50.060

> Order cylinders separately, see pages **65-77**

> Multipoint lock standard 72 mm unsprung lever handles are shown in **Section 1** on pages **97-100**

All moving parts should be lightly lubricated using a light non-acidic mineral oil (eg. "3 in 1"), twice per year and surface cleaned with a soft damp cloth. The locks may need to be adjusted and fixings tightened to ensure a satisfactory operation

Most of the products you will find in this catalogue are available within 24 hours. However, to be able to offer the breadth of range in our collection, a small number of products have a longer lead time that is typically around 14 days.
