INCLUSIVE DESIGN, BS8300, EQUALITY ACT AND AD M

Equality Act - Legislation for Access

Background: The Equality Act in 2010 incorporated the civil rights legislation covered in The Disability Discrimination Act (DDA) of 1995 which required service providers to make reasonable adjustments to the physical features of their premises to remove any physical barriers to make their facilities more accessible for users with disabilities.

BS 8300:2009 - Design of Buildings and their Approaches to meet the needs of Disabled People

Neither the Equality Act nor the DDA before it makes any reference to hardware, so guidance of what is reasonable is

Please see the Information section at the back of this catalogue for further details on standards relating to hardware suitable for accessible living - as recommended for inclusive design in provision of accessible toilet and shower facilities under the Approved document M clauses 5.15-5.20 driven by BS 8300 and the Equality Act
