

VAUTH-SAGEL VS WASH SPACE XX LAUNDRY STORAGE

The VS WASH® is the neat solution for dirty laundry. With this laundry system, dirty laundry can finally be sorted, stored and transported not only neatly, but also completely out of sight. The VS WASH® is perfectly integrated into any utility room. Technically and visually, VS WASH® is based on the proven waste separation systems of the VS ENVI® range, creating a uniform look for both recycling and laundry solutions.

10 YEAR WARRANTY - Delivering German engineering excellence

Covering their full range, the warranty gives you and your customers complete peace of mind when purchasing Vauth-Sagel products.

You can find further information on our website hafele.co.uk/vauth-sagel

- > For 300 or 600 mm cabinet width
- > Handles make it possible to carry up to two containers at the same time
- > Gentle even on delicate laundry thanks to curved corners, plus the air holes for ventilation are soft and not sharp to ensure no snagging with clothing or fingers
- > The same system for waste and laundry. There are customised bins for each use
- > Integrated soft closing and self closing mechanism
- > 3D front adjustment allows simple, convenient front adjustment, even after installing into the cabinet
- > No tools are required to attach the fitting to the runners
- > Can be retrofitted. Can be installed in existing cabinets, without having to remove the worktop
- > Installation template. No measuring required for installation into the cabinet
- > Cabinet is not included
