

NINKA ONE2FIVE WASTE BIN SYSTEM - SETS

Integrated waste bin system designed to fit the same drawers as the rest of the kitchen providing an aesthetic and functional consistency and a made-to-measure fit.

- > Available as packed sets for use with popular twin-walled drawer systems (not included) or as a complete set with drawer sides and runners included
- > Designed to fit your chosen drawer system perfectly
- > German design and quality
- > Robust construction
- > Reinforced handles with bag-lock design
- > Food-safe material
- > Individual bin capacity from 8-42 litres
- > Set capacity from 42-84 litres
- > Dark grey finish works with drawer sides in various colours including dark grey, light grey, silver and white

2x 32 litres - 450 or 500 mm width

2x 32 + 2x 8 litres - 600 mm width

2x 42 litres - 600 mm width

Ideal system for waste segregation

Ninka one2five waste bin system

One2five standard hanging frame

Individual bin sizes

8 litres -
Height x Width x Depth:
310 x 153 x 230 mm

32 litres -
Height x Width x Depth:
560 x 230 x 306 mm

42 litres -
Height x Width x Depth:
560 x 230 x 412 mm

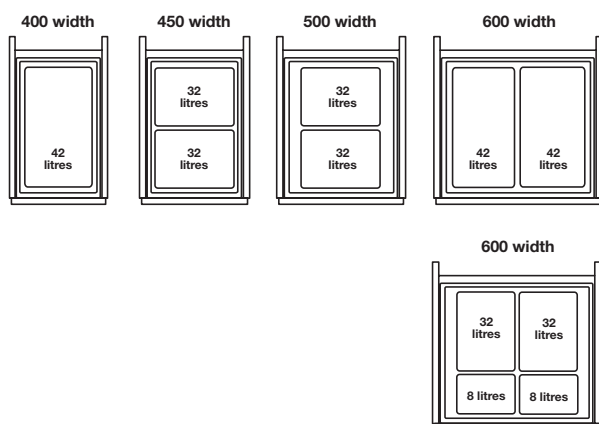

- > Packed sets supplied without drawer sides/runners, for 400, 450, 500 or 600 mm cabinet widths
- > Sets include a hanging frame to fit specific drawer systems - drawer system not included
- > The frame fits the drawer in place of the drawer base
- > A door front is fitted to the drawer sides in the usual way plus the One2Five brackets add rigidity
- > Sets are primarily designed for 500 mm depth drawers. However Blum 450 mm depth drawer sides also fit one2five 450, 500 and 600 (2x8 + 2x32) bin sets
- > Standard drill patterns
- > Min. installation height = bin height + 40 mm
- > Min. installation depth 500 mm. Cabinets with less internal depth can be modified. Min. installation depth when fitted to Blum 450 mm deep drawer sides is 480 mm
- > Sets are intended for cabinets with 18/19 mm wall thickness, spacers must be used where wall thickness is 15/16 mm
- > 42 litre frames have a recess which provides space for services
- > Bins are food safe and can also be used for storage
- > Hanging frame, cover plate, suspension rails and bins: dark grey finish
- > Sets without drawer sides/runners include:
 - 1x Hanging frame for 400, 450, 500 or 600 mm cabinet width
 - 1x Lid cover plate (shelf)
 - 2x Lid cover plate suspension rails
 - 1x, 2x or 4x bins according to set chosen
- > Order qty: 1 set

Lid cover plate with suspension rails

Set layout by cabinet width
