VAUTH-SAGEL VS ENVI FREE WASTE BIN SYSTEM

Flexible free standing waste separation or storage system designed to stand in the base of drawers. Configured and positioned to suit cabinet widths 300-1200 mm. Simply measure the internal cabinet width and then chose from a variety of combinations of different sized bins.

10 YEAR WARRANTY - Delivering German engineering excellence

Covering their full range, the warranty gives you and your customers complete peace of mind when purchasing Vauth-Sagel products.

You can find further information on our website www.hafele.co.uk/vauth-sagel

- > For flexible width installation
- > Retro-fit into any pull out drawer system
- > Lid options, standard closed lid or bio lid with active charcoal filter
- > Handles also hold bin liner securely in place
- > Anti-slip mat keeps the bins in place
