

NINKA BIOBIN WASTE CONTAINER

Organic waste disposal made easy - This compact waste bin can be used in any kitchen or elsewhere in the home. It easily hooks on the outside of cabinet doors of various thicknesses and helps to clean up and keep tidy whilst preparing food.

- > This practical waste disposal product means that worktops stay hygienic at all times, and unpleasant smells can easily be kept at bay by simply closing the lid
- > Can be used in any kitchen or elsewhere in the home
- > Hooks over the top of the cabinet door and fits under the worktop, or can be door mounted using the door fitting (order separately)
- > Easy to close with hygienic lid
- > Easy to clean
