

PULL OUT LARDER UNITS - VAUTH-SAGEL TAL LARDER

1

Larder units with integrated soft close system ensuring quiet, smooth closing. Baskets can be individually positioned at the required height in the cabinet frame.

Premea solid grey base with lava grey wire baskets and lava grey frame

- > With improved fully synchronised runners guaranteeing a slip-free, safe, smooth extension and retraction of the larder unit
- > Runners are complete with a new high-quality hydraulic damping system which means the unit operates with a smooth close
- > Choice of wire baskets, Classic linear or Saphir mesh, Premea solid based, Artline solid based glass sided or Planero metal baskets
- > Baskets are included with larder unit sets
- > Cabinet is not included

Also available with Power assisted movement - Used together, the Power move® electrical push-to-open and PAM mechanical pull-out-soft-stop mechanism are a very elegant complement to the VS TAL larder units. Can be retro-fitted

- > Power move® electric motor is shown on page 1.30
- > PAM pull-out soft-stop mechanism is shown on page 1.30

10 YEAR WARRANTY - Delivering German engineering excellence

Covering their full range, the warranty gives you and your customers complete peace of mind when purchasing Vauth-Sagel products.
