

SMEG KETTLES

Smeg kettles are beautifully crafted with a stainless steel body and large capacity of 1.7 litres. Features include a push-pull opening lid, 360° swivel base, and an automatic shut-off at 100°C. To keep them looking great they have a removable and washable stainless steel lime scale filter and a concealed heating element prevents lime scale build-up. The standard kettle is available in twelve colours. The variable temperature kettle is available in **thirteen** colours.
