

SMEG DRIP FILTER COFFEE MACHINES

Smeg DCF02 Drip filter coffee machines allow you to prepare deliciously aromatic, richly-flavoured coffee to be savoured slowly, the ideal companion for a hard day at work. Up to 10 cups of coffee can be made and the aroma intensity can be selected depending on your tastes. Just supply the coffee and water, then let the machine do all the hard work for you. Available in a choice of seven colours.
