

SMEG CITRUS JUICERS

Curved and bursting with personality, Smeg's Citrus Juicer is a celebration of Smeg's Italian heritage - a nation with a huge love of citrus fruits, which are grown in the south of the country thanks to the perfect climate. Declare war on peel, pith and pip with the stylish appliance which has been crafted to juice different kinds of citrus fruits with zero effort. It has been specially developed to squeeze both large and small fruit and dispense every last drop of juice directly into a glass or cup. The compact CJF01 provides you with delicious, fresh, homemade, juices every time. Available in a choice of seven colours.
