

PRONTEAU PROTRAD 4-IN-1 INSTANT HOT WATER TAP

Replace your kettle and get the convenience of kettle-hot water, as well as filtered water, straight from the Pronteau ProTrad mixer tap.

Refreshingly Sustainable -

- > On top of normal hot and cold domestic water and 98°C steaming hot water on demand, Propure offers a more sustainable way of living with the supply of fresh filtered water meaning you can make a start to ditch the use of single use plastic in the home
- > Delivers water heated up to 98°C instantly. The water is perfect for making tea and coffee, but also filling pots and preparing meals
- > Delivers either filtered steaming hot water only or kettle hot and filtered cold water
- > 4-in-1: domestic cold, domestic hot, filtered cold and filtered steaming hot water
- > Dual stage water operation safety - the handles of all taps incorporate safety devices to limit use
- > With all Abode Pronteau hot water products, you can set the boiler to any temperature between 80 and 98°C allowing you to dispense water at the optimum temperature for your needs
