

# INLINE CORNER - HÄFELE UTENSIO PRO

Clever corner with maximum capacity. The ergonomic motion of the pull-out baskets of the Inline Corner has been designed for easy access and visibility.

Baskets with anti-slip mats are included with Häfele Utensio Pro Inline Corner sets - Inline Corner with Glass baskets shown

- > This sleek modular system has a large capacity offering a total of 50 kg in weight capacity and four baskets in three stylish finishes
- > With an installation depth of 489 mm, the Inline Corner can be retrofitted into existing kitchens and because of the clever engineering, it can be in both left- and right-hand corner cabinets
- > For 900, 1000 and 1200 mm cabinet widths
- > Easy access with maximum storage capacity - Pulls out straight, doesn't obstruct the neighbouring cabinet
- > Flawless finish - Concealed fixings
- > Basket levels operate independently
- > Single movement mechanism - Opens within the aperture of the door
- > Tool free - Basket installation and removal, and detachable door frame
- > Ease of installation - Installation template and fixings included
- > Removable anti-slip mats - Included as standard
- > Choice of basket styles;
