

ALUSPLASH™ MARBLE AND CONCRETE SPLASHBACKS

AluSplash™ Marble and concrete are an advanced aluminium-based splashback and wall panel, which is eco-friendly, durable, cost effective, and fire-resistant. In a range of satin matt or matt textured finishes.

- > 3 standard colours
- > 4 mm thickness
- > Eco-friendly
- > Recyclable
- > Non-toxic and lead-free
- > Requires less energy to produce than glass splashbacks
- > No emissions of greenhouse gases during production
- > Compatible with all cooktops (fire rated)
- > Fire rated and safe to use behind gas cooktops, unlike acrylic splashbacks
- > Suitable to be used behind all popular cooktops
- > Maintain a 30mm / 1.18" distance from the edge of the cooktops
- > Safe, hygienic and low maintenance
- > Grout-free and non-porous
- > Dirt and grime can be easily wiped and cleaned with a microfibre cloth
- > Non-toxic and lead free paint surface
- > Will not shatter or crack like glass
- > Easy to clean and maintain
- > Steam and water resistant
- > Easy to clean and maintain - the coated surface has been carefully formulated to prevent mould and bacterial growth, making it a hygienic solution for busy residential kitchens
- > Satin matt or matt finish
- > Fire-resistant and FIRA tested - AluSplash is FIRA tested, so safe to use behind all cooktops, including gas burners
- > Affordable
- > Durable
- > Sustainable - AluSplash offers a range of eco-friendly, sleek and affordable splashbacks. It is an innovative alternative to glass, acrylic and tiled splashbacks that have been designed to provide a seamless run of colour in the kitchen with an eye-catching satin matt or matt finish
- > AluSplash boasts a hassle-free installation process, saving you time and labour costs. We also offer a separate installation kit, which includes everything you need to install AluSplash, using a standard kitchen fitter's toolkit
- > Please note: This product is subject to variations in finish due to the finishing and manufacturing process of certain materials
- > For installation guidance, please watch the videos on our Häfele YouTube channel
