

SWING OUT CORNER UNIT - VAUTH-SAGEL VS COR FOLD

This clever storage unit is designed so that the rear baskets automatically follow the front baskets when the door is opened and pulled away from the cabinet. Available for 800, 900 and 1000 mm cabinets in a choice of basket designs.

- > Door front fixing with integrated 3D adjustment and central height alignment allows the swing out corner storage unit to be fitted perfectly
- > Upon opening, the front baskets automatically swing away leaving free access to the back basket, making all baskets easily accessible when the unit is fully opened
- > Integrated damping ensures quiet, smooth closing of the pull out
- > Choice of wire baskets: Classic linear or Saphir mesh, Premea solid based or Planero metal baskets

Premea lava grey solid base version shown, right handed

Saphir mesh chrome wire version shown, left handed
