

NINKA QANTO CORNER STORAGE SOLUTION

Qanto is a complete pre-assembled cabinet with two or three illuminated trays that rise at the touch of a button. Ideal for L or U shaped kitchen layouts.

Quanto offers efficient corner storage and the ergonomic benefit of bringing heavy items to worktop level using a robust lifting strut.

Ninka Qanto unit for corner storage, vertically rising

- > Complete pre-assembled unit
- > Two or three tray version available
- > Depth x width: 598 mm x 598 mm
