

NINKA QANTO CORNER/ISLAND/ROW STORAGE SOLUTION

Qanto is a complete pre-assembled cabinet. The new sideways pull-out tray allows heavy kitchen appliances to be stored safely and out of sight. Without having to lift any weight, the new tray rolls the appliance to a convenient position on the worktop.

- > Heavy kitchen items on the tray may be rolled easily onto the worktop and may be used while standing on the tray
- > Optimum use of the storage space
- > Easy and ergonomic access to stored items at worktop level
- > Intuitive operation at the push of a button
- > Tested for safety
- > Pre-assembled complete cabinet for a simple installation
- > Optional adaptor tray to fit matching worktop material for a perfect aesthetic

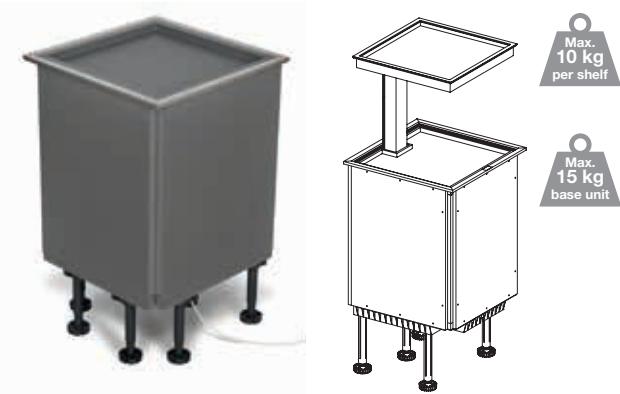

Standard version

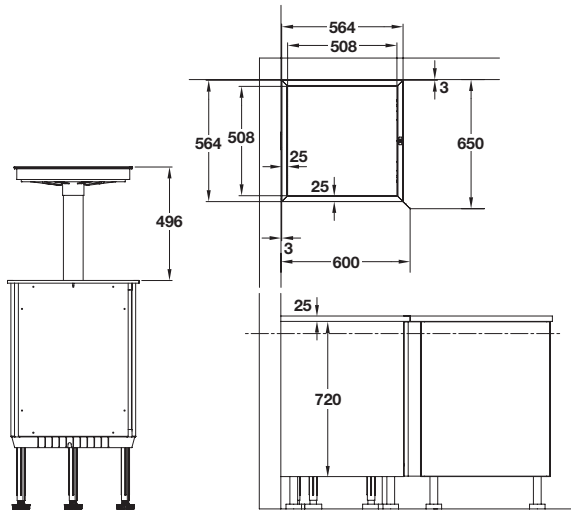

Decor version

Ninka Qanto unit for corner and island storage, vertically rising

- > Complete pre-assembled unit
- > 2 levels - pull out tray and upper tray (decor version; pull out tray and adaptor tray to fit matching worktop material)
