Splinter guard 000.49.199

Festool worktop template APS 900/3

- > For corner and panel joints with a fixed stop of 600, 635, and 650 mm, or adjustable up to 900 mm panel depth
- > Precise joining. The APS worktop template makes flush connections of wooden panels at a 90° angle simple. The template is permanently fixed to the integrated clamp and thus enables precise results – even when the router passes several times along a single groove
- > Recommended for OF 2200/1400 router
- > Robust routing template made from aluminium
- > For groove cutters with 14 mm diameter and copying rings with 30 mm diameter
- > For diameter of cutter 14 mm and copying ring 30 mm
- > **Technical data:**
Dimensions (L x W x H) 1000 x 380 x 16 mm
Panel depth with corner joints, without adjustment 600/635/650 mm
Panel depth with corner joints, with adjustment 900 mm
For worktop connectors, bolt length 65/150 mm
- > Consists of:
Corner connection template
2x extension profiles
Bolt
Screwdriver
- > Order qty: 1 set

Most of the products you will find in this catalogue are available within 24 hours. However, to be able to offer the breadth of range in our collection, a small number of products have a longer lead time. Please call 0800 171 2909 for an accurate delivery date when you see this symbol.
