

FESTOOL BATTERY PACKS AND CHARGERS

1

Power Tools

Recharging is now much quicker with new AIRSTREAM technology. The new battery packs have an integrated cooling duct that reduces the cooling time and shortens the entire charging process, which means your tool is ready to use again sooner - for interruption-free work, even for high-energy applications such as sawing.

Festool Battery pack 18 Li 5.2 ASI

- > For all 18V Festool devices (except ETSC 125, RTSC 400, DTSC 400 cordless sanders)
- > Powerful and long-lasting lithium-ion (Li-ion) battery pack with AIRSTREAM function
- > All-round frame made from soft-grip material for protecting the machine and setting it down safely on inclined surfaces
- > **Technical data:**
 - Voltage: 18 V
 - Capacity: 5.20 Ah
 - Weight 0.70 kg
 - Technology: Bluetooth®
- > Order qty: 1 pc

Bluetooth® enables a Bluetooth®-compatible CLEANTEC mobile dust extractor to be started automatically when the cordless tool is switched on

Order rapid charger TCL 6 separately, shown on page **1.126**

Festool Battery pack 18 TBX Li 4.0 C-ASI

- > For all applications and 18-volt devices – with an emphasis on maximum power but lightweight (except ETSC 125, RTSC 400, DTSC 400)
- > More power, more runtime, more service life: TBX battery packs with tabless cell technology provide you with the ultimate power upgrade for your cordless tools. (Li-ion) battery pack with AIRSTREAM function
- > Charged in a heartbeat. Due to their low heat generation, tabless battery packs can be charged directly without a cooling phase - so they are ready for use again in a flash
- > **Technical data:**
 - Voltage: 18 V
 - Capacity: 4 / 8 Ah
 - Weight: 0.60 kg
 - Technology: Bluetooth®
- > Order qty: 1 pc

Bluetooth® enables a Bluetooth®-compatible CLEANTEC mobile dust extractor to be started automatically when the cordless tool is switched on
