

FESTOOL CONTURO KA 65 EDGE BANDER

The start of the perfect edge.

- > Easy to handle, perfect ergonomics, clear view of the workpiece
- > Perfect in a system - integrated in a complete system of accessories and consumable materials for achieving the perfect edge
- > For affixing wooden, plastic or laminated plastic edging to panel materials

Festool CONTURO KA 65 edge bander, 1200W

KA 65 240V Plus

KA 65 240V Set

- > Easy, clean and efficient working progress and patented cartridge gluing system for quick colour changes
- > Precision glue application for a perfect join quality and maximum adhesion
- > Nozzle system that is easy to clean, machine housing does not heat up, allowing safe working progress
- > Adhesive melts according to requirements and does not boil, discolour or deteriorate
- > Possible to attach edging to simple rectangular components or more complex free forms
- > Also as an addition to the machining centre, for affixing edging to complex free form and round elements
- > Suitable for mobile use, for rapidly reworking edges in situ
- > Suitable for stationary use and small batches, straight edges, free form elements and gluing inclined edges, angle from 0-47°
