

FESTOOL JOINTER, DOMINO XL DF 700 EQ-PLUS 240V

The Festool DOMINO XL jointer is very quick, simple, precise and extremely stable, with measurably shorter tooling times and compared to stationary machines. Ideally suited for furniture and door construction and solid wood joints. The simultaneous rotating and pendulum movement of the router allows smooth working and holes without scorch marks.

- > Maximum stability of joints up to a DOMINO size of 14 x 140 mm
- > Patented routing principle unique to hand-held machines for accurate work with no kickbacks
- > Saves more time compared to a stationary machine
- > Stops that are quick and easy to adjust, for accurate results
- > System accessories compatible with both DOMINO jointers

Festool joining machine, DOMINO XL DF 700 EQ-Plus 240V

Please note: Plug-it cable is supplied with a UK plug

- > Antistatic function: Mobile dust extractors and tools with the antistatic function to prevent static charge from accumulating when working For drilling into concrete, stone and masonry
- > Electronic: Speed control for adjusting to all types of materials
- > CLEANTEC: Integrated bayonet fitting as the connecting element between the extractor and the tool
- > Plug it: Removable, replaceable mains cable with safety lock for quick conversion

> Applications:

Solid wood furniture in frame and tunnel design
Frame construction of house doors and interior doors
Manufacture of tables and chairs
Creation of stable mitre joints
Folded and profiled door frames in furniture construction
Connection of wide cornices (e.g. plates)
Frame and stand constructions in non-supported timber structure (exterior and interior area)

> Technical data:

Power consumption: 720 W
Idle engine speed: 21000 min-1
Depth stop for routing depth: 15-70 mm
Max. routing depth: 70 mm
DOMINO slot cutter Ø: 8, 10, 12, 14 mm
Routing height adjustment: 10-50 mm
Mitre routing: 0-90°
Dust extraction connection Ø: 27 mm
Weight: 5.2 kg
Drive type: Mains

> Supplied with:

DOMINO cutter D12, additional stop, empty dowel box, open ended spanner, WAF 12, belt clip
In a Systainer SYS3 M 437

- > Order qty: 1 set

System accessories, bits and biscuits are available to order separately, shown on pages 1.49-53
