

FESTOOL OF 2200 ROUTER

More powerful and easier to use, the OF 2200 offers the greatest low-end torque, the highest precision and the greatest ergonomic comfort. No matter what the task, with the OF 2200, you have the solution in your hands.

- > The power pack with enormous torque
- > Top power development and fully variable speed for hard materials and increased material thicknesses
- > Outstanding ergonomics: guide rods offset by 30 degrees to transfer force efficiently
- > Dual guide column clamp for extra torsional rigidity and greater precision
- > Maximum safety: safety brake stops the cutter promptly
