

MIRKA® DEROS RS 600 ROTARY SANDER

The Mirka DEROS RS 600 is a new rotary sander for rough applications and general-purpose sanding. It is a heavy-duty sander suitable for a wide range of surfaces, providing the operator with a low noise level and smooth operation to reduce strain. The long-life brushless motor produces 750W of power.

- > Mirka® DEROS RS 600 is designed for heavy-duty, coarse grinding sanding applications. Despite its robust attributes, this tool maintains a surprising level of smoothness during operation, offering a silent and easily manoeuvrable solution for tackling rough materials. DEROS RS is a powerful, lightweight and silent heavy-duty rotary sander that can be used for paint stripping, microcement, stair sanding, body in white, teak decks aso
- > Features:
 - Powerful and lightweight
 - Very low noise levels and minimal vibration
 - RPM Led indication
 - A shroud (incl.) guides dust in right direction when sanding with a pad saver
 - Momentary switch function

Mirka® DEROS RS 600 rotary sander

005.11.004

005.11.003

- > Ø 150 mm
- > Robust 750W motor (230V) ensures high material removal capabilities
- > Brushless electric motor. It's designed to provide consistent power and performance and provide a longer lifetime. Possible to set the motor speed between 700 RPM and 2500 RPM, and select a ramp-up function, which provides a special slow start mode. Additionally, the tool features an RPM LED indicator for precise control.
- > Low noise levels and minimal vibration enhances operator comfort and efficiency. The operational sound of DEROS RS is notably smooth and quiet compared to its counterparts. Produces minimal sound during operation
- > Surprisingly smooth operation defies expectations of noisy machinery
- > Lightweight design at only 1.8kg reduces user fatigue during extended use
- > Equipped with a shroud to guide dust in the right direction when sanding with a pad saver or interface
- > Safety features include a momentary switch function to prevent accidental operation
- > **Technical data:**
 - Weight: 1.8 kg
 - Noise level: 61 dB
 - Power input: 750 W
 - Size of pad: Ø150 mm
 - Speed: 700-2500 rpm
 - Voltage main supply (VAC) 220 - 240V
 - Orbit: 5.0
- > **Supplied with:**
 - 1x Ø 150 mm backing pad
- > 2 +1* year manufacturers warranty (*subject to online registration)
- > Order qty: 1 set

System accessories and abrasives are available to order separately, see **Sections 1 and 2** of this Directory
