

MIRKA® DEOS II 343 ORBITAL SANDER

The Mirka® DEOS II 343CV is the most compact sander in the Mirka® DEOS range of electric orbital sanders. It is designed for sanding windows, doors and frames and performing correction work on wood filler, especially in hard-to-reach places or performing detail work.

- > At only 100 mm high, the tool's compact and very low profile gives a high manoeuvrability and helps deliver a precise and efficient sanding performance. The ergonomic design, low vibrations and low noise level ensures that the sander can be used comfortably for long periods without fatigue
- > Features:
- > Powerful and great performance.
- > The compact and low profile gives full control over the sanding process
- > Ergonomic design and high operator comfort
- > Easy-to-operate lever for adjusting sanding speed with clearly visible LED indicators for the RPM
- > Enables efficient dust-free sanding
- > High-efficiency and long-life brushless motor
- > Bluetooth connectivity and vibration exposure monitoring

Mirka® DEOS II 343 orbital sander, 230V

> Technical details:

Weight: 0.97 kg
 Noise level: 70 dB
 Power input: 300 W
 Size of pad (Length x Width): 100 x 75 mm
 Speed: 1000-5000 rpm
 Voltage main supply: (VAC) 220 - 240V
 Orbit: 3 mm
 Vibration Level (m/s²): 3.3 m/s²
 Connectivity: Bluetooth
 Dust System: Central vacuum ready

> Supplied with:

- 1x 75 x 100 mm backing pad
- > Order qty: 1 pc

System accessories and abrasives are available to order separately, see **Sections 1 and 2** of this Directory
