

FESTOOL RUTSCHER RTS 400 ORBITAL SANDER

The Festool Rutscher RTS 400 orbital sander is ideal for vertical surfaces or overhead work. A one-handed sander for small and narrow surfaces. Ideal for sanding off paint and varnishes on window frames, sanding natural wood surfaces and veneering prior to varnishing – particularly furniture, sanding close to edges on different materials.

- > Compact one-handed sander
- > Work effortlessly: Thanks to the compact design, weight of just 1.5 kg and a perfectly balanced weight distribution
- > Up to 25% greater material removal capacity: The MMC control electronics transfer the power of 250 watts directly to the work surface
- > A healthy working environment and less rework: In combination with the mobile dust extractor or the long-life dust collection bag and attachable PROTECTOR for smooth sanding along window surfaces, frames and panelling
- > For continuous use: Long-life dust collection bag which can be emptied and reused, made from extra-durable nonwoven polyester

Festool RUTSCHER RTS 400 Orbital sander, 230V

- > Antistatic function - prevents static charge from accumulating
- > Cleantec connecting system - Integrated bayonet fitting as the connecting element between the extractor and the tool
- > Electronic - Speed control for adjusting to all types of materials
- > Protector - Protects the sanding pad and material when working close to edges
- > MPE sanding pad - Sanding pads and sanding discs made from extremely durable materials for long service life
- > Vibration stop - Patented VS balancing so that tools run smoothly during sanding, which makes working less hazardous
- > Plug it - Removable mains cable with safety lock for quick conversion
- > Turbo dust extraction - Ensures clean, dust-free air and a clear view of the workpiece
- > StickFix - Quick, economical fastening system for abrasives - no adhesives, no clamping
