Festool Chip collection bag SB-Longlife ETSC 2

- > For ETSC 2 125 and ETSC 2 150
- > For practical working without the need for a mobile dust extractor. Wherever you are, the dust collection bag for the ETSC 2 offers maximum freedom of movement when sanding, without an irritating suction hose getting in the way
- > The dust collection bag picks up the dust and makes it convenient to dispose of the contents
- > Reusable, durable and suitable for long-term use
- > Made from robust cotton fabric, which can easily be cleaned with a vacuum cleaner. Once the plastic closure has been removed, the dust collection bag can also be washed
- > Order qty: 1 pc
