

MIRKA® JEPUFLEX PAPER ABRASIVE ROLLS

2

Abrasives, Blades & Bits

Mirka® Jepuflex Antistatic abrasive roll, machine sanding

- > A high class abrasive with a wide application area
- > The focus of the optimization work has been the sanding of hard wood such as beech, birch and oak
- > The strong antistatic paper provides dimensionally accurate and reliable wide belts
- > Full resin bonding and aluminium oxide grain guarantee a very durable product
- > Silicon carbide grain used in the coarsest grit gives extra strength to the product
- > These qualities together with a well adjusted coating density make a genuine all-round product that works well also on metal, plastic and lacquer
- > 115 mm width
- > Maroon aluminium oxide/silicon carbide
- > Order qty: 1 roll = 50 m
