

Mirka® Pad Saver, 81 x 133 mm with 54 holes grip

- > Pad saver for 81 x 133 mm backing pads
- > Mirka's pad savers are designed to protect the backing pad from wear and tear, when sanding aggressively and continuously with net products
- > These cost effective pad savers, placed between the backing pad and the sanding sheet, should be changed regularly
- > The pad savers prolong the life of the backing pad
- > Grip attachment
- > 1 pack includes:
 - 5x interface pads
- > Order qty: 1 pack
