Ø 3.25 mm	71.5 mm	No. 10 / No. 8	000.00.577

Trend Snappy centering drill bit guide

- > 1/4" hex shank
- > The perfect accessory for making centralised pilot holes when fitting countersunk hinges and other ironmongery
- > With its bevelled nose design, the drill bit guide automatically self centres when positioned in a countersink
- > Eliminates any problems of off set screws, misalignment of fittings or screwheads sticking up, for professional, consistent flush fitting results every time
- > Makes the correct sized pilot hole for any fitting that requires No. 6, No. 8 or No. 10 gauge screws
- > Direct fit to Trend Snappy chucks with spring loaded drill bit for fast action in hard and softwoods
- > Order qty: 1 pc
