

STANLEY® FATMAX™ flared screwdriver

- > Chrome vanadium steel bar allows for high torque and reduces the chance of tip breakage
- > Colour coded ends make it easy to identify the correct screwdriver for each screw type
- > Handle moulded direct to bar creating virtually unbreakable bond for extra long life and high reliability
- > Hanging hole for easy storage
- > Large diameter handle offers great torque needed for driving wood screws
- > Shot blasted tips ensure improved torque and corrosion protection
- > Smooth domed end for fast spinning action – speed and comfort
- > Soft grip handle – perfect combination of great grip plus reduces fatigue
- > Order qty: 1 pc
