

STANLEY® panel carry

- > Ergonomic lifting handle: 14" handle for extra reach and visibility while carrying drywall
- > Carefully designed holding notch for efficient blocking of the panel during transport
- > Durable plastic handle angled to keep knuckles away from panels for comfort
- > Helps transport building boards and other flat materials with ease
- > Hi-visibility yellow makes it easy to locate on the job
- > One person can carry large materials with better balance and control
- > Synthetic, light, resistant body that does not damage the board
- > Max. load: 90 kg
- > Order qty: 1 pc
