

FITTER’S MATE

As a professional tradesperson, you can’t always work with a mate, now you can! Fitter’s Mate will allow you to move large, heavy cabinets by yourself.

- > Manoeuvre tall cabinets into place with ease
- > Adjustable for different plinth heights (140-170 mm)
- > Strong and durable steel frame
- > Non-marking solid rubber wheels
- > Simple to use, fully portable and easy to store
- > Don’t forget your Lift & Go and Load & Go attachments

Fitter’s Mate kitchen cabinet truck 003.74.700 with Lift & Go attachment 003.74.702
